MACHINERY REQUIRING CERTIFICATE OF FITNESS (UNFIRED PRESSURE VESSEL)

Checklist and Guidelines for submission through BLESS

- Application through MBLS is only for NEW Applications. Renewals and amendments to the current licence are currently not available.

- The applicant must select the online licence based on the DOSH's designated processing centre. For construction site that is within the authority of DBKL (Dewan Bandaraya Kuala Lumpur), the applicant must select KL as the processing centre. Otherwise, the applicant must select Selangor.

  - DOSH – Selangor
    Tingkat 7, Wisma Consplant 2,
    Jalan SS 16/1, 47500,
    Subang Jaya, Selangor.
    Tel No. 03-5638 0340

  - DOSH – Kuala Lumpur (KL)
    Tingkat 17, Menara PERKESO,
    281, Jalan Ampang,
    50534, Kuala Lumpur.
    Tel No. 03-4257 6066

- The applicant to complete the online form.

- The applicant must be the occupant of the factory or premise.

- The applicant is required to submit manually all supporting documents as listed below. The applicant must quote the MBLS submission number on each and every supporting document.

- All supporting documents with exception to drawings and plans must be saved in softcopy and delivered in CD or DVD.

- All drawings and plans must be submitted in physical form.

- If any fees are required by the agency, the applicant may utilise the E-Payment function in BLESS provided the said agency has activated this function. If any payment is to be made, a payment request from the agency shall be prompted to the applicant. Otherwise, the agency can request that payment be made manually.

- All information from Suruhanjaya Syarikat Malaysia (SSM) related to the company is made available in BLESS, thus applicant is no longer required to furnish this information and documents.

- The applicant must prepare the following supporting documents:
    - Company Application Letter explaining the reason for the application and includes the contact person's name and phone number.
    - Completed Form JKJ 105.
    - Hydrostatic test certificate JKJ127, duly signed by the tester.

    OR

    - Exemption letter for hydrostatic test from DOSH Headquarters.

Note:

- Department will only process applications which are complete and attached with the above mentioned documents.
- Kindly contact the Department in the event you do no receive feedback after 10 working days from the date of submission.
